

SPECIAL EDITION FRIDAY: Wake Up World! It's Islam! by Rick Kozlovich 11-9-23

When these monsters invaded Israel, they “went from house to house burning family after family,” “We are seeing trucks still arriving filled with body bags that contain whole families – grandparents, mothers, fathers, and even little children are being brought down from the trucks.” In one case, the remains were so badly burned that only a CT scan revealed it was actually a mother and baby bound together in a deep embrace. In another, Weisberg told reporters, a pregnant woman was cut open, the fetus pulled out and beheaded, with the umbilical cord still attached.

According to a volunteer named Shari, women arrived with their heads blown off, and bodies bobby-trapped with (gang raping women) with broken pelvises, even “among grandmothers down to small children.” Other volunteers told CNN the grenades. There was also evidence of rape, (victims included “whole families, little children, babies, even pregnant women, and that their bodies were found in a horrific state – mutilated and burnt.”

They even burned a baby alive in a oven. As for crying children, they just keep shooting them until the crying stopped.

Is there any sicker, viler, more demonic movement in the world today than the Hamas terrorist organization? The latest from them is that Hamas’s terrorists, fresh from murdering 1,400 people on October 7, blood undoubtedly still dripping from their hands, made a tape of themselves describing how they “played” with severed heads of their Israeli victims:

What kind of vile disgusting animals can do such things? Islamists, along with their supporters all over the world were equally vile and disgusting as they cheered and celebrated as if this was a fine and noble deed, and worse yet, academia all over America was amongst the celebrants.

The fact is this isn’t just a war of survival for Israel. Make no mistake, this is a war between civilization and barbarian hordes. When the barbarians specifically target helpless children, when in addition to that they employ deliberate cruelty, when they kill gleefully, then there cannot be peace.

If Biden hadn’t been fraudulently placed in the White House, this would have never happened. The Biden administration laid the groundwork for the Hamas attack. Their unending efforts to blame others isn’t flying in the face of reality, history, or the facts. Biden is directly responsible for all of this, and Iran read him for just how incompetent

he and his administration are starting with his stunningly incompetent and stupid withdrawal out of Afghanistan.

All that's happening is not solvable because it's not about Jews, it's not about Israel, it's not about America, it's all and I repeat.....all about Islam, and they've been murdering in the name of Islam for almost 1500 years, and they're not going to change, because "the Prophet" commanded it.

Wake up world, there's no "proportional" response" that will work, and there's no agreement they'll honor, as soon as it becomes convenient, they will renege on their promises. Islam only understands power, and the willingness to use it. **So use it.**

Final thoughts. The country that defines human rights as the right to hold mass executions, discriminate against women, Christians, Jews, all other non- Muslim religions, and even non- Shia Muslims, all in violation of the U.N. Charter, is now head of the U.N. Human Rights Council. Iran! You know, that "Death to America:" country.

It gets even better. There are 15 nations that make up the U.N. Security Council which has a rotating presidency. China is now head of the U.N. Security Council, and China's first order of business? Declares Pro-Hamas 'Ceasefire' 'Top Priority'

What could possibly go wrong?

Biden's Failures Endangers Israel, America and The World, by Robert Socha
November 8, 2023

The United States' porous southern border is welcoming masses of fighting-age men who are screaming profanities toward the U.S. involvement in Israel's conflict, bringing death to our shores in the aftermath of their animosity.

Psalm 56: 3 "What time I am afraid, I will trust in Thee."

The fires of class warfare and ethnic identity politics are weaving their destructive flames into the very fabric of our national identity. There is nowhere to turn and avoid its sickening dismantling of Americana. Fear-mongering headlines from every avenue have us clamoring in the pursuit of truth. The military-industrial complex, runaway inflation, election integrity, ethnic tensions, and a manifesto declaring death and destruction, all pitting against peaceful administration, are unnerving barriers bringing worldly troubles.

An arduous task befalls us in this endeavor for truth.

John 16:33 Jesus said to his disciples, "I have said these things to you, that in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world."

It is comforting to know that even amidst the grossest quagmire inflicting death and destruction, the inept bureaucracy infecting our national government, and a monetary policy driving us toward insolvency with breathtaking rapidity, we can take heart and be at peace because the Author and Finisher of faith is working until now to reveal His Son and woo whosoever into the Vine. May I close with a gentle reminder that you, dear reader, and I are part of the whosoever, and I hope and pray we all hear and endure.

There is a lot of arguing, debating, ruffled feathers, and violence these days about Israel's right to annihilate Hamas for the ongoing utterly despicable surprise attack on innocent Jewish people. It has caused millions of people around the world to openly support Hamas as the injured party and Israel as the one who needs to be destroyed.

Shall we look into God's Word to find out what He says about destroying nations?

1 Samuel 15:2-3 *"**Thu says the LORD of hosts, 'I will punish Amalek for what he did to Israel, how he set himself against him on the way while he was coming up from Egypt. 3 'Now go and strike Amalek and **utterly destroy** all that he has, and do not spare him; but put to death both man and woman, child and infant, ox and sheep, camel and donkey.'"***

The Amalekites were like **Hamas** and **Hezbollah**, they hated the Jews so much that the only way to keep them from annihilating you was to annihilate them first.

God's instructions to Israel when they fought for Caanan, the Promised Land.

Deuteronomy 20:10-18 *"**When you approach a city to fight against it, you shall offer it terms of peace. 11 "And it shall come about, if it agrees to make peace with you and opens to you, then it shall be that all the people who are found in it shall become your forced labor and shall serve you. 12 "However, if it does not make peace with you, but makes war against you, then you shall besiege it. 13 "When the LORD your God gives it into your hand, you shall strike all the men in it with the edge of the sword. 14 "Only the women and the children and the animals and all that is in the city, all its spoil, you shall take as booty for yourself; and you shall use the spoil of your enemies which the LORD your God has given you. 15 "Thus you shall do to all the cities that are very far from you, which are not of the cities of these nations nearby. 16 "Only in the cities of these peoples that the LORD your God is giving you as an inheritance, you shall not leave alive anything that breathes. 17 "But you shall utterly destroy them, the Hittite and the Amorite, the Canaanite and the Perizzite, the Hivite and the Jebusite, as the LORD your God has commanded you, 18 in order that they may not teach you to do according to all their detestable things which they have done for their gods, so that you would sin against the LORD your God.***

Deuteronomy 7:1-10 "When the LORD your God shall bring you into the land where you are entering to possess it, and shall clear away many nations before you, the Hittites and the Girgashites and the Amorites and the Canaanites and the Perizzites and the Hivites and the Jebusites, seven nations greater and stronger than you, 2 and when the LORD your God shall deliver them before you, and you shall defeat them, then **you shall utterly destroy them**. You shall make no covenant with them and show no favor to them. 3 "Furthermore, you shall not intermarry with them; you shall not give your daughters to their sons, nor shall you take their daughters for your sons. 4 "For they will turn your sons away from following Me to serve other gods; then the anger of the LORD will be kindled against you, and He will quickly destroy you. 5 "But thus you shall do to them: you shall tear down their altars, and smash their sacred pillars, and hew down their Asherim, and burn their graven images with fire. 6 "For you are a holy people to the LORD your God; the LORD your God has chosen you to be a people for His own possession out of all the peoples who are on the face of the earth. 7 "The LORD did not set His love on you nor choose you because you were more in number than any of the peoples, for you were the fewest of all peoples, 8 but because the LORD loved you and kept the oath which He swore to your forefathers, the LORD brought you out by a mighty hand, and redeemed you from the house of slavery, from the hand of Pharaoh king of Egypt. 9 "**Know therefore that the LORD your God, He is God, the faithful God, who keeps His covenant and His lovingkindness to a thousandth generation with those who love Him and keep His commandments;** 10 **but repays those who hate Him to their faces, to destroy them; He will not delay with him who hates Him, He will repay him to his face.**

Esther 8:10-11 And he wrote in the name of King Ahasuerus, and sealed it with the king's signet ring, and sent letters by couriers on horses, riding on steeds sired by the royal stud. 11 **In them the king granted the Jews who were in each and every city the right to assemble and to defend their lives, to destroy, to kill, and to annihilate the entire army of any people or province which might attack them, including children and women, and to plunder their spoil,**

The Jews in Esther's time had the right to annihilate the army of any people which attacks them, including women and children, and to plunder their spoil and they still have that right today.

1 Samuel 15:2-3 Thus says the LORD of hosts, 'I will punish Amalek for what he did to Israel, how he set himself against him on the way while he was coming up from Egypt. 3 'Now go and strike Amalek and utterly destroy all that he has, and do not spare him; but put to death both man and woman, child and infant, ox and sheep, camel and donkey.'"

1 Samuel 15:8 And he captured Agag the king of the Amalekites alive, and utterly destroyed all the people with the edge of the sword.

1 Samuel 15:17-18 And Samuel said, "Is it not true, though you were little in your own eyes, you were made the head of the tribes of Israel? And the LORD anointed you king over Israel, 18 and the LORD sent you on a mission, and said, 'Go and **utterly destroy the sinners**, the Amalekites, and fight against them **until they are exterminated.**'"

1 Samuel 15:32-33 Then Samuel said, "Bring me Agag, the king of the Amalekites." And Agag came to him cheerfully. And Agag said, "Surely the bitterness of death is past." 33 But Samuel said, "As your sword has made women childless, so shall your mother be childless among women." **And Samuel hewed Agag to pieces before the LORD at Gilgal.**

*(King Saul was removed because being king because he disobeyed God's order to **exterminate the Amalekites.***

Jer 46:8 Egypt rises like the Nile, like rivers whose waters surge. He said, 'I will rise, I will cover the earth, I will destroy cities and their inhabitants.'
