

3 MAJOR ATTACKS AGAINST MARRIAGE

1. Homosexuality
2. No-fault Divorce
3. Living Together “Shacking-Up”
 - a. Even our language is changing. What happened to courting, dating?
Today its “hanging out” and “hooking up”
 - b. The words “husband” and “wife” are disappearing. They are being replaced with “my man” or “my woman”, “significant other”, “my partner”

3 MAJOR ATTACKS AGAINST FATHERS

1. The idea that the authority in marriage is shared 50/50
 - a. This is absolute insanity and totally unbiblical.
2. The notion that in the 21st Century, families without fathers can do just as well as families with fathers.
 - a. Rosie O Donald
 - b. Rev. Jesse Lee Peterson – A black pastor who is founder and president of B.O.N.D. Brotherhood Organization of a New Destiny. In the 1950s the black families were stable, the black fathers were involved in the family and set a moral standard.

But during the civil rights movement in the 60s the fathers started leaving their families and were replaced by government. When the government stepped in the fathers stepped out.

He says that the main solution to the problems that the blacks face is not more government handouts but that black fathers return to their families and be responsible for their well-being.
3. The way that fathers are represented in the media as idiots, buffoons, clowns.
He is mocked, ridiculed, and shown no respect.
