

## **COMMUNION SUNDAY**

**January 4, 2026**

I found this on X and I was led to share it, it is a very good read.

**Satan is not opposed to good morals.**

**He's opposed to Jesus Christ.**

**Read that again because most Christians miss this completely.**

**Satan doesn't care if you're a "good person."** He doesn't care if you volunteer at the food bank, recycle your trash, and help old ladies cross the street. He doesn't care if you're kind, generous, and well-liked by everyone in your community.

He cares that you don't bow the knee to Jesus.

Here's the deception that's damning millions:

Satan has convinced people that morality equals spirituality. That being a "good person" is the same as being a Christian. That if you just live right, treat people well, and avoid the "big sins," you're acceptable to God.

This is a lie straight from the pit of hell.

The Pharisees had impeccable morals. They followed the law meticulously. They were respected, disciplined, and religiously devoted.

Jesus called them children of the devil.

Why? Not because their morals were bad. But because their morals replaced Christ.

Satan's greatest trick isn't making bad people worse. It's making good people think they don't need a Savior. Think about it:

The atheist who feeds the homeless thinks he's good enough without God.

The Buddhist who meditates and practices compassion thinks she's enlightened without Christ.

The Muslim who prays five times daily thinks he's righteous without Jesus.

The moral Christian who goes to church, pays his tithe, and avoids scandal thinks he's saved without surrender.

All of them are headed to the same place: eternal separation from God because morality doesn't save. Jesus saves!

Here's what most Christians don't understand:

Satan doesn't need to make you do bad things. He just needs to keep you from doing the ONE thing that matters: believing in Christ.

If he can get you to:

- Trust your morals instead of Christ's sacrifice
- Rely on your goodness instead of God's grace
- Believe in your works instead of Jesus' finished work

He has won.

You can live a moral life and still die lost. You can be a good person and still face judgment. You can avoid all the "big sins" and still end up separated from God forever. Because the only sin that damns you eternally is rejecting Jesus Christ.

***John 3:36 He who believes in the Son has (v.pai) everlasting life; and he who does not believe the Son shall not see life, but the wrath of God abides (v.pai) on him."***

Stop trusting your morals. Start trusting Jesus.

Your goodness won't save you. Your works won't redeem you. Your morality won't justify you.

Jesus Christ took the sins of the entire world on Himself so that we can be acceptable to God by believing in His Son.

Stop trusting your morals. Start trusting Jesus.
