

COMMUNION SERVICE

March 1, 2026

1. 1 Corinthians 11:24 -25 said *“do this in remembrance of me.”*
 - a. I use to say that we need to observe Communion because the daily routine of life can cause us to forget what is really important - the Lord Jesus Christ.
 - b. But now I believe that we need to **“remember our Lord”** because things are anything but routine. It is easy for us to focus on the multitude of problems we face, but we need to focus on our Lord Jesus Christ who is the solution for all our troubles.
 - c. Christians should understand that any effort, not focused on a message of repentance and the imminent return of the Lord, is wasted effort.

2. We have experienced horrible things that we have never experienced before:

A pandemic called “Covid” killed millions of people where the healthy were quarantined. “

Those who were in the government ignored the God given rights to the people. Many were shocked by how easy it was for the government to demand that the people obey their Unconstitutional edicts.

We found out later that those like Dr. Fauchi had no idea of what to do, but that didn't keep him from telling people that they don't have to wear a mask, then he changed his mind about masks and told the people they must wear masks.

They said that if we took the shot, we would not get covid.
LIE!

Remember Social Distancing where people had to stay a certain space from each other and the spaces came from out of thin air.

Tearing down historical monuments

Mass rioting, looting, arson, assault, and murder while police are commanded to stand down

No cash bail – criminals processed and let go to prey on innocent people.

Defunding the Police – insanity

Homelessness is out of control

Gender dysphoria trumps biological sex

Around 99% of the people lose their privacy, safety, and rights to accommodate 1% of Transgendered people.

Antisemitism has gone rampant worldwide, including in the United States.

Wide open borders with illegals having no fear of being deported, plus the promise of receiving welfare, free healthcare, free education.

ICE is doing its job of deporting the worst of the illegal aliens including murderers, rapists, traffickers of children, gangs, etc. The people in some states attack ICE in order to keep these monsters that ICE is deporting so they can roam the streets and continue to prey on the innocent people.

3. Not all the people in the list below hate us, our country, or our God, but most of them do.

It is not our job to judge these people, the Bible says: "**Romans 12:19 Vengeance is Mine, I will repay," says the Lord.** Our job is to pray for them and give them the gospel.

Since we attacked Iran yesterday, there is no way for us to know what the future holds, but we must remember that our Lord Jesus Christ knows the future and if we trust Him, claim His promises, and obey Him, we will be fine.

4. It seems there is hate, bitterness, and evil everywhere we turn. **But we can't allow fear, anger, or our revulsion of all this, cause us to forget that Jesus Christ controls history.**
5. He is the only one who we can trust, He is the only one who can help us.

Psalm 118:8 It is better to take refuge in the LORD Than to trust in man.

Jeremiah 17:5 Thus says the LORD: "Cursed is the man who trusts in man And makes flesh his strength, Whose heart departs from the LORD.

6. Forget about trusting or relying on politicians! They are liars! **Don't lose hope! Our hope is in the Lord.**

Psalm 31:24 Be of good courage, And He shall strengthen your heart, All you who hope in the LORD.

Psalm 138:3 In the day when I cried out, You answered me, And made me bold with strength in my soul.

Psalm 146:5 Happy is he who has the God of Jacob for his help, Whose hope is in the LORD his God,

7. The only way we will survive all this and deliver our beloved country from totalitarianism is to put our spiritual life into overdrive.

We need to **trust God** more, **talk to Him** more, **study** the Bible more, **evangelize** more, be more **hopeful**, be more **helpful**, claim more **promises**, have more of a **personal sense of eternal destiny**, be more **encouraging**, be more **loving**, and be more **thankful**.
