

The most fundamental issue that we all must address is, “**WHAT HAPPENS AFTER WE DIE?**”

Basic Questions:

1. IS HEAVEN REAL?

Is it a literal place? If so, how do I get there?

2. IS HELL REAL?

Is it a literal place? If so, how do I avoid going there?

3. IS GOD REAL?

Does He really exist? If so, what is He like and how can I get to know Him?

4. IS JESUS CHRIST REAL?

Is He who He says He is? If so, what does that mean for me?

Your answers to those questions determine what you think will happen after you die.
