# **FALSE TEACHERS**

**If they were fish,  
they would be  
blowfish like this  
one. They are not  
blowfish, but they  
are definitely  
blow-hards!**

**This man is not a  
false teacher but  
has features false  
teachers strive for.  
He appears to be:**

**distinguished,  
scholarly,  
elegant,  
refined.**

**But if we could  
see beyond their  
pious exteriors  
and see how ugly  
and dangerous  
they really are,  
we would recoil  
in fear.**
